#### RECOGNIZING A LETTER TO THE EDITOR: HEY, WHITE HOUSE: LEAVE D.C. ALONE

##### HON. JAMIE RASKIN

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 12, 2017*

Mr. RASKIN. Mr. Speaker, I rise today to share an excellent Letter to the Editor, urging the Trump administration to respect the political autonomy of American citizens living in Washington, D.C., written by David Jonas Bardin to the Washington Post.

In "Hey, White House: Leave D.C. Alone," David writes:

"The May 28 editorial 'More meddling' said that the White House has joined Congress "in trying to block the District's Death with Dignity law." President Trump's proposed budget would unconstitutionally forbid implementation of that law in the 2018 fiscal year, which starts Oct. 1. The Constitution established federal legislative power over a future federal district as well as future federal installations outside the District of Columbia, such as Fort Bragg, N.C., to safeguard legitimate federal government interests there. The Bill of Rights imme-

diately limited those powers in order to block tyranny.

"Even before statehood and even without D.C. voting rights in Congress, it is high time to recognize that Americans living in the District count as 'the people' under the 10th Amendment, which says: 'The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people.' Power to allow, forbid or regulate physician-assisted suicide was never delegated to the federal government.

"Mr. Trump should heed President William Henry Harrison's wise words: 'The people of the District of Columbia are not the subjects of the people of the States, but free American citizens.'"

#### IN RECOGNITION OF DR. ARTHUR SMITH

##### HON. PATRICK MEEHAN

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 12, 2017*

Mr. MEEHAN. Mr. Speaker, I rise today to honor Dr. Arthur Smith of Chester County, Pennsylvania for his 48 years of service to our community. Dr. Smith will be retiring at the end of this year after an astounding 48 years of service to the Ridley, Delaware County School District.

Dr. Smith has for decades been a fixture in Ridley's schools, serving in both teaching and administrative capacities. It's not uncommon today for Ridley Middle School's "Parents Night" to be packed with parents of current students who themselves had taken classes taught by Dr. Smith years or decades ago.

Dr. Smith brought to his teaching an unmatched commitment to his students and an unwavering desire to see them succeed. But his day as an educator didn't end with the final bell each afternoon. He then drove to West Chester University, where for years he's taught evening classes. His typical days began before 5 a.m. and ended after he got home at 10:30 that night.

Forty-eight years, 9,227 middle school students, 6,700 college students and countless hours spent helping each of them succeed—that's Dr. Smith's legacy. On behalf of our entire community, I thank him for his service and wish him the best in his retirement.
